

*“No eye has seen,
no ear has heard,
no mind has conceived
what God has prepared for those who love him –
but God has revealed it to us by his Spirit.”
I Cor. 2:9-10*

There are treasures in heaven our finite minds
cannot stretch far enough to take in.

**Can we even imagine a beauty that can only be described
in terms of the most precious jewels we know here on earth?**

Can we comprehend what it must be like to live forever
in the presence of majesty and holiness -- and to be holy ourselves?

**Can we dream big enough to picture absolute perfection
in every aspect of life and body and relationship?**

Can our hearts contain even the smallest revelation
of praise and adoration around the throne of our creator?

**Can we reach the depths of joy that will accompany bowing at the feet of
our risen Lord?**

**When eternity reaches back into time and space
and puts the song of heaven in our hearts,
our ordinary lives take on extraordinary dimensions,
and we will never be the same.**
