

Easter Confessions of Faith

Burt Burleson

In the beginning was the Word... through whom all things were made.

We believe there is one God who is over all, through all and in all.

The Word became flesh and dwelt for a while among us.

We believe that God was in Christ reconciling the world.

Jesus went about preaching the good news and healing every disease.

We believe that God is love. Whoever lives in love, lives in God.

The people were amazed at his teachings because he taught with authority.

We believe Jesus is the image of the invisible God.

“The Son of Man must be lifted up, that all who believe might have life.”

We believe that while we were yet sinners, Christ died for us.

Early in the morning they went to the tomb but found the stone rolled away.

We believe that God has raised us up with Christ.

Jesus came, stood among them and said, “Peace be with you.”

We believe that whoever is in Christ is a new creation.

**We believe in an infinite God,
Who is powerful and mysterious,
Who is above all and through all and in all.
We believe in a risen Lord,
Who lived and loved and died and lived again,
Who gives us victory over death and life everlasting.
We believe in a life-giving Spirit,
Who blows like a fresh breeze through history,
Who kindles the flame of the church,
Who renews each of us day by day.
We believe in Easter.
Christ is risen! He is risen indeed.**
